COVID-19 Policy

We encourage all recommended social distancing measures:

1. Guests should bring and wear their own masks if they feel they will be in close contact with other guests. Guests should comply with social distancing.
2. Masks are recommended for enclosed spaces such as the barn and porta potties.
3. Touchable surfaces will be bleached before and after your venue rental by Libby's Pumpkin Patch staff.
4. Guests are encouraged to practice good hand hygiene.
5. Large gatherings are discouraged inside the barn with closed doors and recirculating air conditioning. New bookings for 2020 are encouraged to use our outdoor venue facilities. Social distancing of 6 feet should be maintained between households. Please contact us for social distancing suggestions for your outdoor venue party.
6. Self-serve buffets are discouraged.

Thank you for your patience and understanding.
